

Use source material to write a context brief for human review Worksheet

Use invented, synthetic monthly values laid out like the public series. Practise keeping a source record, rejecting unsuitable material, checking fixed cases, and preparing a context brief for human review—without forecasting a labour market.

01	Reader decision and user	
02	Input, data boundary and prohibited action	
03	Simple baseline and acceptable output	
04	Fixed cases, failure and handoff	
05	What someone can check in the system: version, test, trace, or result	
06	What still needs explaining before work use: owner, cost, risk, and next step
